## 1. Opportunities for development professional/personal

In the community where I live there are a lot of opportunities for professional and personal development where I can participate without paying any taxes.

În comunitatea din care fac parte există oportunități pentru dezvoltare profesională/personală la care pot participa fără niciun fel de taxă.

157 de răspunsuri

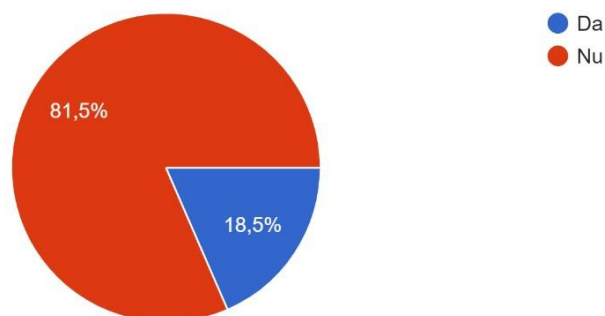

The following graph shows that young people in Teleorman county have very few opportunities for development in which they can participate, on a Likert scale, from 1 meaning not at all and 5 very much opportunities, more than 50% choosing 1 and 2. We can thus observe the community's need to develop projects and programs for development professional and personal.

## I have participated in the past in Erasmus+ Projects (Youth Exchanges, Courses, Trainings)

Am participat în trecut la proiecte Erasmus+ (Schimburi de tineri în alte țări, Cursuri, Traininguri)

157 de răspunsuri

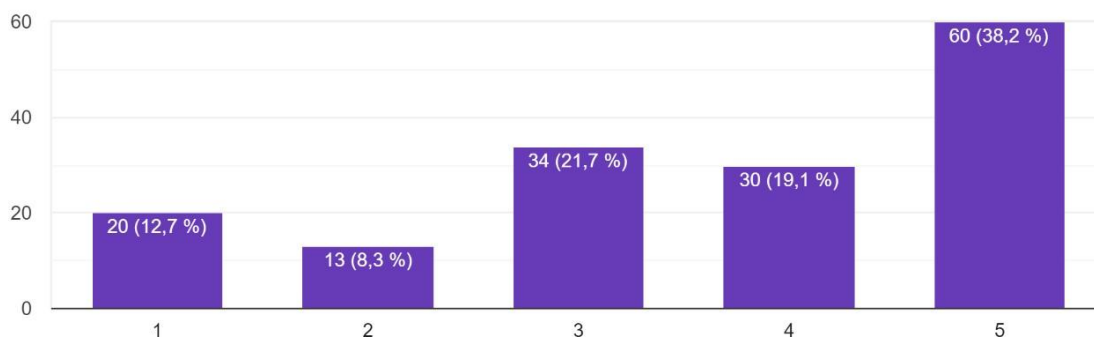

From this graph we see the fact that projects of the Erasmus+ program are not are very popularized in Teleorman county and that a small percentage of young people participated in projects supported by the European Union. Thus, we see the need to promote Erasmus+ projects in the Teleorman county.

I would like to participate in projects/Youth Exchanges/Trainings/another activities in which I will develop in different domains (entrepreneurship education, civic education, ecology, volunteering)

Mi-ar plăcea să particip la proiecte/schimburi de tineri/traininguri/diverse activități prin care să mă dezvolt în diverse domenii (educație antreprenorială, educație civică, ecologie, voluntariat)

157 de răspunsuri

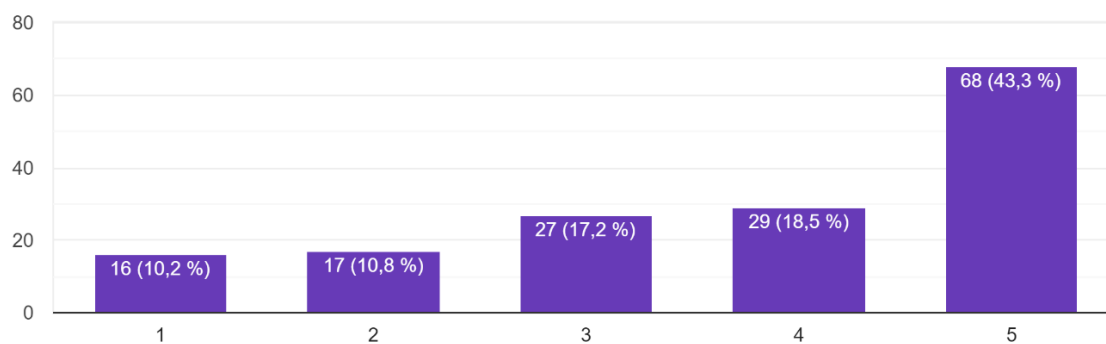

The desire to participate in non-formal activities is high in Teleorman county, we can see that more than 50% want to participate at a high scale, while about 20% are not interested. Thus, we observe the need of young people to participate in various non-formal or informal activities.

## 2. Entrepreneurship Domain

In the future, I will be interested in opening my own business

În viitor, m-ar interesa foarte mult să îmi deschid propria mea afacere

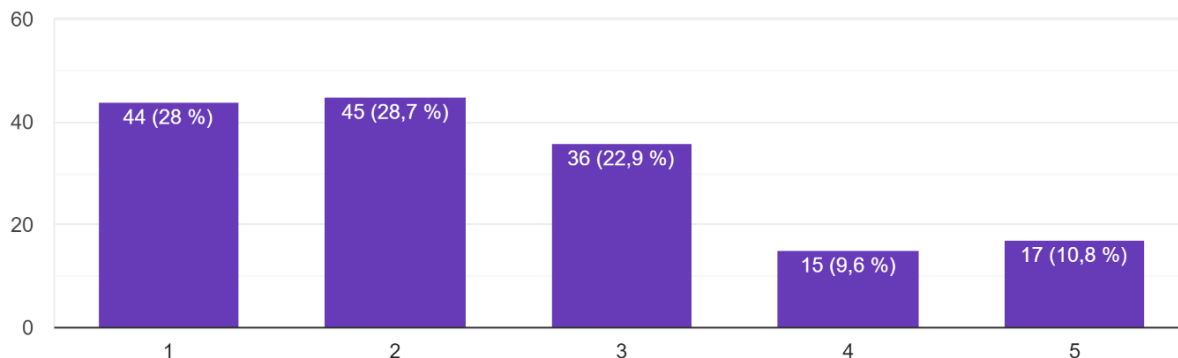

157 de răspunsuri

In this graph we can see the interest of young people to open their own business, over 60% answer affirmatively, while over 20% do not want to, and 17.2% are neutral or don't know.

#### Am cunoștințe în ceea ce privește domeniul Antreprenoriatului

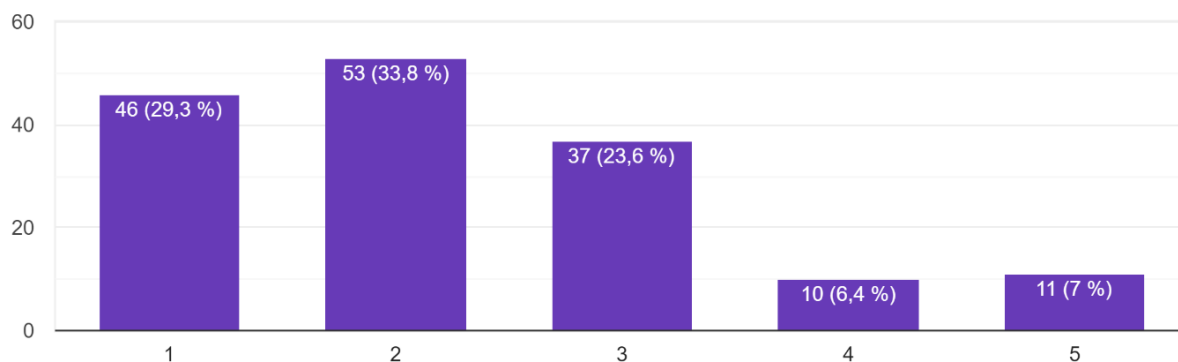

157 de răspunsuri

Regarding the level of knowledge, over 56.7% have a low level of knowledge, 22.9% a level environment, while only 20.4 say that have a high level of knowledge.

#### În comunitatea din care fac parte există oportunități pentru dezvoltarea propriei afaceri

157 de răspunsuri

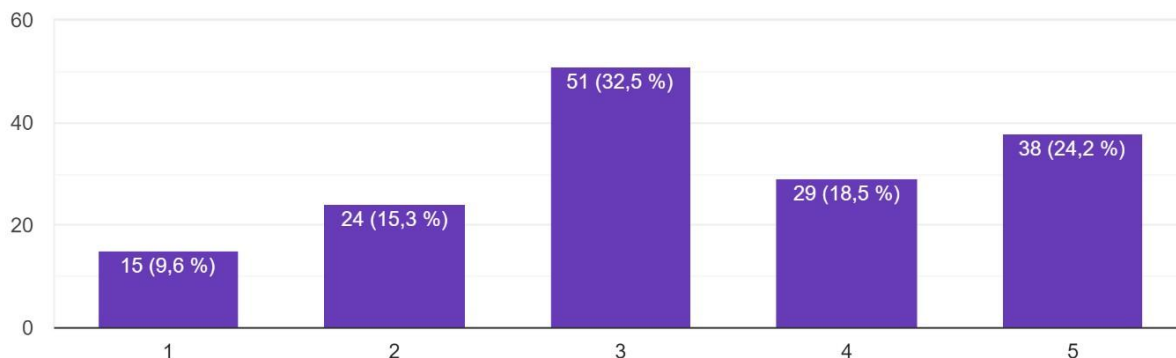

A large number of young people believe that in Teleorman county there are no opportunities for developing their own business or that they are very small 63.1%, while only 13.4% believe that there are many opportunities for developing a business. We can thus observe the need of young people to acquire knowledge in the field of entrepreneurship and promote more opportunities for the development of a business.

### 3. Active participation in democratic life

I would like to be actively implicated in the local decision process from the community that I belong  
 Mi-ar plăcea foarte mult să mă implic activ în procesul deciziilor de la nivelul comunității din care fac parte

157 de răspunsuri

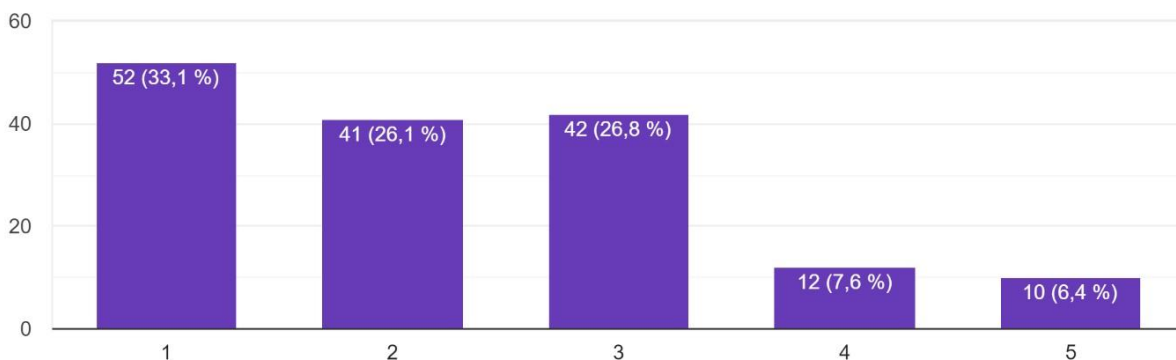

In this graph we can see that a large number of young people, **32.5%**, are neutral or do not know, want to involves, while **42.7%** declare that they would like to be actively involved in the decision-making process from local level.

I have the necessary knowledge related to how the decision-making process takes place at local/national/European level

Dețin cunoștințele necesare legate de cum se desfășoară procesul decizional la nivel local/național/european

157 de răspunsuri

Regarding the level of knowledge: 59.2% state that they have a low level of knowledge, while only

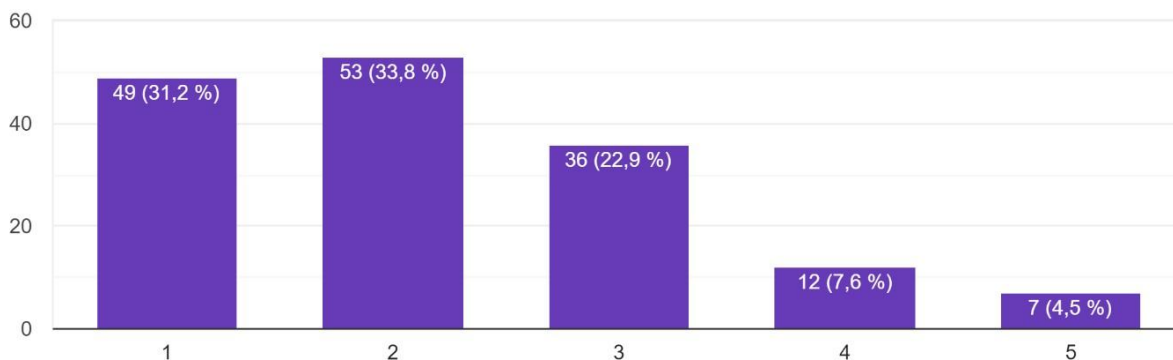

14% state that they have a high level of knowledge about the decision-making process at local/national/European level .

In my community, there are many opportunities through which I can learn how to actively participate in decision-making processes

În comunitatea din care fac parte, există foarte multe oportunități prin intermediul cărora pot învăța cum să particip activ la procesele decizionale

157 de răspunsuri

Regarding the level of opportunities for young people to learn how to participate in decision-making processes, 65% say there are no or very few opportunities, while only 12.1% say there are opportunities to learn about the processes decisive.

Thus, we observe the need for young people to get involved in decision-making processes, but they do not have the necessary knowledge and do not have enough opportunities to acquire this information.

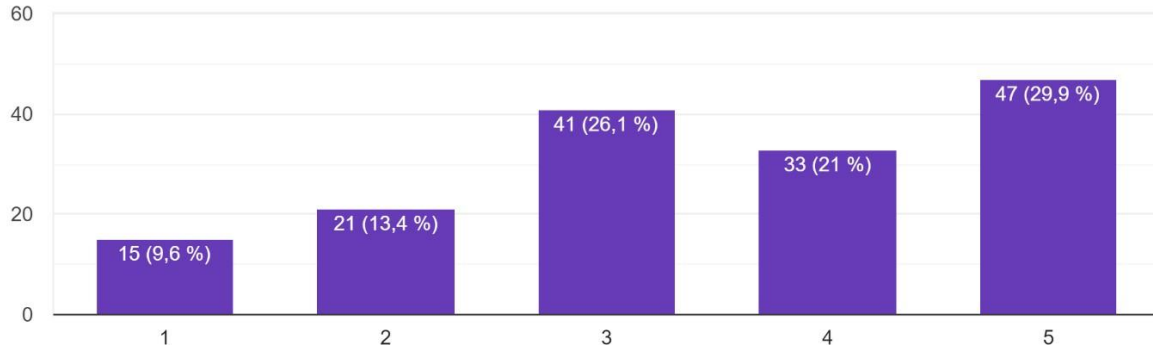

#### 4. Media Literacy

I would like to learn about the role of the media in society and how it works to understand the messages

we receive daily through TV, newspapers, Social Media

Mi-ar plăcea să învăț despre rolul media în societate și despre cum funcționează înțelegerea mesajelor primite zilnic prin intermediul TV-ului, ziarelor, Social Media

157 de răspunsuri

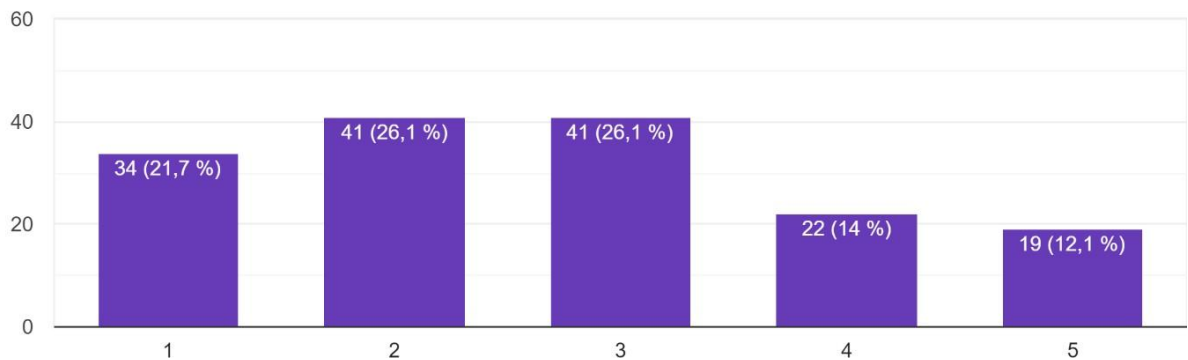

50% of young people say they want to learn about the role of the media in society and understand the messages they receive through the media, while 26.1% are neutral or don't know and 23% don't want to.

I have knowledge in understanding and evaluating information from news, publications, various announcements

Dețin cunoștințe în ceea ce privește înțelegerea și evaluarea informațiilor din știri, publicații, diverse anunțuri

157 de răspunsuri

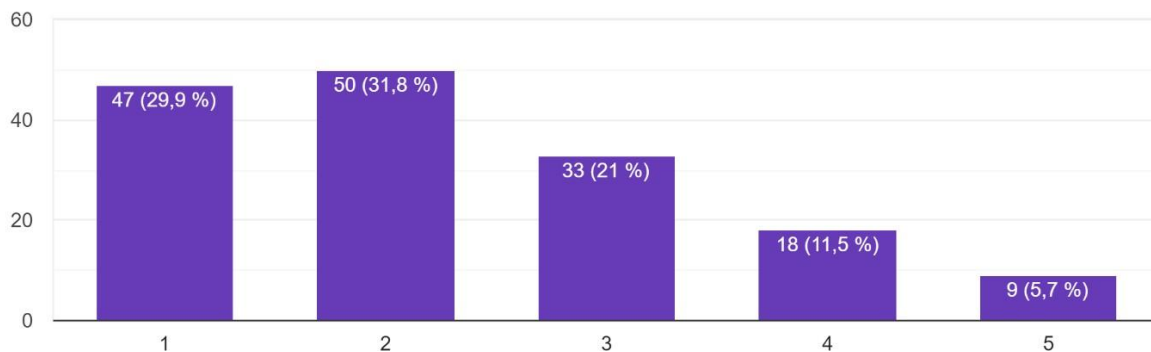

The graph shows us that 47.8% of the respondents have a very low level of knowledge regarding media literacy, while 24.1% declare that they have knowledge in the mentioned field.

There are opportunities in my community to learn how media works, how to filter and analyze any information received through media channels

Există oportunități în comunitatea din care fac parte, în ceea ce privește învățarea despre cum funcționează media, cum se filtrează și analizează...formație primită prin intermediul canalelor media

157 de răspunsuri

Regarding the level of opportunities, we can see that a large part of young people, 61.7% declare that there are no learning opportunities or that there are very few to develop media literacy skills.

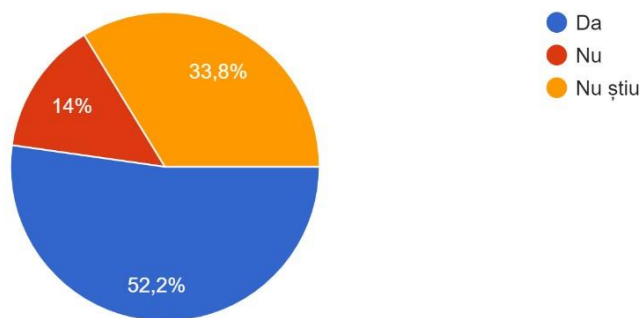

We observe the need to develop courses/trainings/workshops at the level of the communities in Teleorman county so that they acquire more knowledge regarding the Media and how they can filter the information they receive.

## 5. Volunteering and involvement in the community

I would like to volunteer in an organization

Mi-ar plăcea să fiu voluntar într-o organizație

157 de răspunsuri

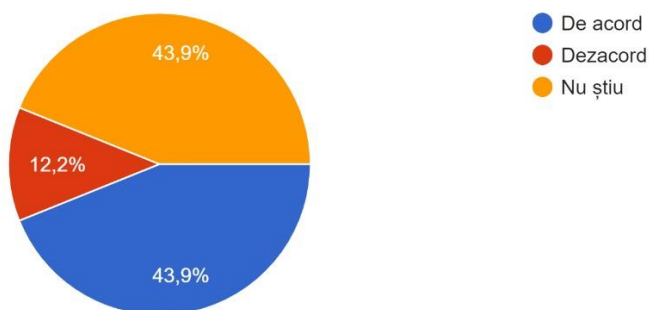

In this graph we can see that more than 50% of young people want to volunteer and get involved in the community, while 33.8% don't know and 14% don't want to.

I would like to contribute for the improvement of my community, but I do not feel that I have the support and/or opportunities

Mi-aș dori să contribuie la îmbunătățirea comunității mele, însă nu consider că am susținere și/sau oportunități

123 de răspunsuri

In terms of involvement for community improvement, 43.9% would like to get involved at the community level but do not have the necessary support or opportunities, while 43.9% do not know and only 12.2% do not I agree.

A large percentage of young people say they want to get involved in their community to make it better, but we see that they feel there are not enough opportunities and support to do so. As a result, we see the need to develop and/or promote volunteering programs and opportunities at the Teleorman county level so that young people can get involved in the community.
